Tuesday 1/31/17 Ceramics

Schedule	To do	Today's Purpose
3rd 9:25 – 10:20 4th 10:25 – 11:20 --2nd lunch 5th 12:00 – 12:55 6th 1:00 – 1:55 7th 2:00 – 3:05	Ceramics 1 1. Welcome! 2. Homework assignment! 3. Syllabus 4. Getting Acquainted Ceramics 2+ 1. Welcome back! 2. Look over syllabus 3. Get started! NOTE! Next week (normal schedule) I have 2nd lunch every day EXCEPT Wednesday	Get a feel for what the class will be like and require, and start our exploration of what makes a good functional or sculptural ceramic work. 1st Day Homework (handout online) 1. Go home and find a ceramic object you use 2. Draw an outline and a cross-section  profile sketch cross-section 3. Measure your ceramic object and write the dimensions next to your drawing – height x width x depth. Indicate units (inches or centimeters). 4. If the piece has an interesting design on it, sketch it also to give an idea of what it looks like. Describe three physical characteristics that you like about the piece.
